

City Vision Candidate Nomination By-election Albert Eden Local Board, Maungawhau subdivision

There is a by-election to be held for a local board member for the Albert-Eden Local Board, Maungawhau subdivision. City Vision is seeking nominations from progressive individuals with skills and experience who are interested in serving their local community.

City Vision is the community voice representing the people of Albert-Eden, Puketāpapa and Waitemata & Gulf Wards. We also stand candidates from across the 'old' Auckland City for the Auckland District Health Board and for part of the Portage Licensing Trust area.

We seek competent citizens to represent your local communities and to work for the wellbeing of all Aucklanders. You may be a member of the Green or Labour parties, or a community independent with progressive views. You need to recognise, value and be able to work for City Vision policies. Please read carefully the [policy statement](#) on the City Vision website that sets out our key principles for City Vision. **Your endorsement of this is a condition of selection.** Standing for election and serving on a local board takes hard work, and we provide practical support and advice to our candidates.
